FOOD ALLERGIES

Please specify if you need special dietary consideration when booking your party.

The menu of hotdogs, nuggets and hot chips may contain traces of peanut oil, peanuts and other nuts.

*They may also contain fish, dairy products, shell fish, eggs

You need to undertake the following:

- ✓ At time of booking specify the type of allergy.
- ✓ Staff will then advise if food is available for your needs, or if alternative measures need to be taken e.g. own food brought in
- ✓ Please note: We will do all we can to provide a safe environment for the parties, but all responsibility is given to the parent/carer of the children
- ✓ If your own food needs to be brought in for allergy requirements, please do so in a sealed microwavable container if it needs to be re-heated
- ✓ Inform the party organiser of the guest's allergy and dietary considerations
- ✓ On the day of the party/function, identify the child with the allergy
- ✓ If the person with the allergy is a child, the responsible adult needs to discuss the allergy condition and food requirements with the party organiser
- ✓ Please ensure that children do not swap food. In common eating and food preparation areas, where there are children with severe peanut allergy, separate the allergic child from the other children.
- ✓ Ensure if the person with the allergy has his/her emergency medication with them (Epipen)
- ✓ Please familiarise yourself with the on site first aid service in case of a reaction
