

## **INDIVIDUAL RIDE RISK WARNINGS**

### **Coney Island**

Coney Island is a heritage listed building and contains vintaged designed amusement rides. This is a warning that riders are at risk of suffering personal injury arising from or in connection with use of the rides. Those injuries can include but are not limited to friction burns, abrasions, muscular strains, bruising, damage to teeth, splinters, head injuries and broken bones. Injuries may arise from, or be connected with, the surface of the rides and your interaction with that surface, interaction with other patrons, being propelled from the rides, the movement of the rides, unstable surfaces, loss of balance, incorrect use of ride, the failure to follow instructions or malfunction of a ride and defects in the ride (including design defects) that could not be reasonably foreseen.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the rides.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

### **Wooden Slide**

This ride is a vintage designed wooden slide. This is a warning that you are at risk of suffering personal injury arising from or in connection with your use of the ride. Those injuries can include but are not limited to friction burns, abrasions, muscular strains, bruising, damage to teeth, splinters, head injuries and broken bones. Injuries may arise from, or be connected with the surface of the ride and your interaction with it, interaction with other patrons, being propelled from the ride, loss of balance, incorrect use of ride, the failure to follow instructions and defects in the ride (including design defects) that could not be reasonably foreseen.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

### **Joy Wheel**

This ride is a vintage designed wooden ride. This is a warning that you are at risk of suffering personal injury arising from or in connection with your use of the ride. Those injuries might include but are not limited to friction burns, abrasions, splinters, bruising, damage to teeth, head injuries and broken bones. Injuries may arise from, or be connected with the surface of the ride and your interaction with it, interaction with other patrons, being propelled from the ride, loss of balance, incorrect use of ride, the failure to follow instructions and defects in the ride (including design defects) that could not be reasonably foreseen.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

### **Wild Mouse**

The ride is a heritage listed vintage designed wooden rollercoaster. You are warned that you are at risk of suffering personal injury arising from or in connection with your use of the ride. Injuries might include but are not limited to abrasions, bruising, damage to teeth, muscular strains, soft tissue injury and broken bones. Injuries may arise from or be connected to the change in speed of the ride, incorrect use of ride, failure to follow instructions, an unforeseen failure or malfunction, design defect of the ride, evacuation of ride, dismounting the carriage of the ride and loss of balance whilst leaving the ride.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

### **Dodgems**

You are at risk of suffering personal injury arising from or in connection with your use of this ride. Injuries might include but are not limited to whiplash, abrasions, muscular strains, bruising, damage to teeth and broken bones. Injuries may arise from or be connected to sudden impacts with other cars, impact with the steering wheel, other participant's use of the ride, incorrect use of ride, failure to follow instructions and the unforeseen failure or malfunction of the ride.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

### **Barrels of Fun, Wonky Walk and Turkey Trot**

The ride is a vintage designed wooden ride which is designed to challenge your balance. You are at risk of suffering personal injury arising from or in connection with your use of the ride. Injuries might include but are not limited to friction burns, muscular strains, abrasions, bruising, damage to teeth head injuries and broken bones. These injuries may arise from or be connected to the surface of the ride, the movement of the ride, incorrect use of ride, interaction with other patrons, the failure to follow instructions, the unforeseen failure or malfunction of ride and design defects in the ride.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).

## **The Rotor**

This ride is a heritage listed vintage designed ride. You are warned that you are at risk of suffering personal injury arising from or in connection with your use of the ride. Injuries might include but are not limited to abrasions, bruising, motion sickness (including contact with the same), friction burns, muscular strains and soft tissue injury. Injuries may arise from or be connected to the change in speed of the ride, incorrect use of ride, failure to follow instructions, an unforeseen failure or malfunction of the ride, design defect of the ride, and loss of balance whilst leaving the ride.

Parents or Guardians must evaluate these risks before permitting a person in their control or care to use the ride.

This constitutes a 'risk warning' for the purpose of section 5M of the Civil Liability Act 2002 (NSW).
